

DISCOUNTED SHOW SHELTERS

This shelter was previously set up as part of an exhibit for the ASLA and NRPA trade shows. It sustained minor wear in the process of assembling and disassembling. All parts have been checked for damage to the finish, and were cleaned and touched up with matching paint.

TRANSIT SHELTER - RH5X15M-P4

This 5' x 15' transportation shelter features four (4) 10" square columns that form a space for wheelchair patrons, and side benches that offer sitting space for up to 6. It also has extensive ornamental detailing, a metal panel roof and a durable e-coat/powder coat finish.
